Lab 3: Quotes

Contents

QuoteReaderActivity activity	2
------------------------------------	---

QuoteReaderActivity activity

This is an overview of all quotes.

Below you'll see the expanded versions of all of them.¹

Oh hi, Mark.

I think gay marriage is something that should be between a man and a woman.

If it weren't for electricity we'd all be watching television by candlelight.

¹ These are stupid quotes. And funny.
